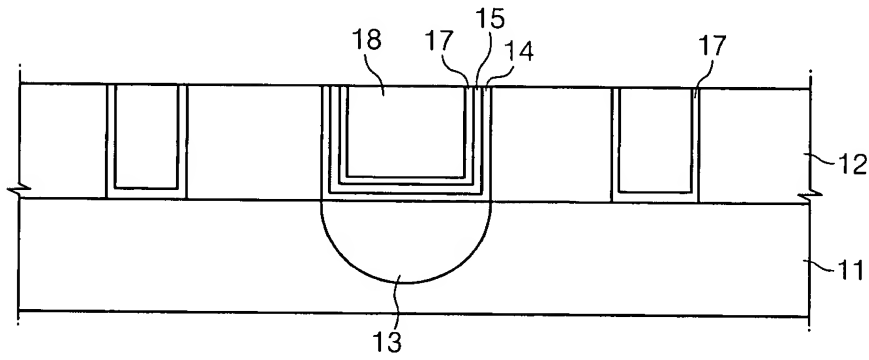

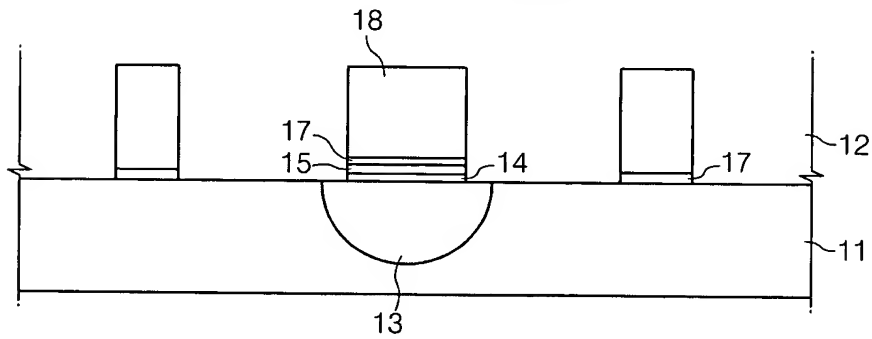

Fig. 2e

A cross-sectional view of a multi-layered structure. It features a base layer 11 with a series of downward-facing semi-circular recesses 17. On top of this base is a thin layer 13. Above layer 13 are three rectangular features 18, each with a central rectangular opening 19. The features 18 are connected by a layer 14. The top surface of the features 18 is labeled 20. The entire structure is shown in a cross-section with vertical dashed lines indicating the boundaries.
